

Environmental and Sustainability Policy

Helm Great Britain (HGB) is a distributor of the chemical supply chain and Crop protection products.

Our committed to providing a quality service in a manner that ensures a safe and healthy workplace for our employees and minimises our potential impact on the environment.

We will comply with all relevant legislation and alignment with the UN Global Compact's ten principles.

The company aims

- Ensuring compliance with all relevant legislation and standards and our customers' expectations and other key stakeholders.
- Ensuring the selection of supplier with sustainability and environmental standards
- Having an environmentally sustainable aware culture, where responsibility is assigned and understood;
- Being an environmentally responsible neighbour in our community;
- Taking steps to improve environmental performance continually;
- Maintaining and improving the economic and social wellbeing of all staff.
- Achieving good environmental recycling and disposal of waste.
- Ensuring the responsible use of energy and water throughout the offices
- Regularly assessing the environmental impact resulting from business operations and to remain fully informed of recognised best practices.

HGB will review and update this policy to incorporate any changes created by new or revised business activities or legislation changes.

This policy is also communicated to all employees to promote both their involvement and commitment to our business's improvement.
